**FOR IMMEDIATE RELEASE**

**Alderman & Company® Advises in Sale of John Hassall**

Danbury, Conn. December 15, 2014 --Today Alderman & Company announced that its client, John Hassall, Inc. has been sold to Novaria Group. Terms of the transaction are not being disclosed at this time.

**About John Hassall**

A client of Alderman & Company since 2004, John Hassall is a leading manufacturer of specialty fasteners for the aerospace industry, including but not limited to high temperature and high pressure applications in some of the many of today's most advanced jet engines. John Hassall has a long and proud history in the aerospace industry, including designing and manufacturing the fasteners used in the Spirit of St. Louis.

**About Novaria Group**

Novaria Group is the aerospace investment platform of Rosewood Private Investments and Tailwind Advisors. Founded and operated by CEOs Bryan Perkins and Earl Larkin, the company's goal is to operate a cohesive family of precision component subsidiaries that consistently delivers optimum performance and sustainable growth within the aerospace and defense marketplace. Current holdings include Fitz Aerospace ([www.fitzaero.com](http://www.fitzaero.com)), Weatherford Aerospace ([www.weatherfordaerospace.com](http://www.weatherfordaerospace.com)) and John Hassall ([www.hassall.com](http://www.hassall.com)).
