

Thinking as the founder/owner, what is the #1 reason you would sell your company?

This Quarter's Survey

In this quarter's survey, we asked more than 100 owners of middle market aerospace and defense companies, who are considering selling in the near future, to think as a founder/owner and determine what the #1 reason is they would sell their company?

Information regarding our surveys

Our surveys are conducted in-house by the team at Alderman & Company, utilizing our proprietary database of more than 15,000 senior executives and professionals world-wide who are associated with mergers and acquisitions in the middle market of the aerospace and defense industry.
